

THE DAYLIGHT WAY

A PERSONAL APPROACH TO TREATING SUBSTANCE ABUSE

We take the treatment of alcohol and drug addiction personally and treat patients as if they are members of our own family. From the moment a new patient walks through the doors, it's our priority to make that patient feel safe and comfortable.

★★★★★

This place is wonderful. They've gone above and beyond to help accommodate my needs. This place actually cared and made sure I had a solid and healthy plan for my discharge. Thanks again, Daylight.

- Amanda W.

★★★★★

I stayed at Daylight for a month. The staff was unbelievable. The facility was very nice and clean. I've made some real connections with the staff, and I'll forever be grateful for what they've done for me there.

- Floyd W.

★★★★★

Just finished detox there a week ago. The entire staff was amazing and really cared about the people going through there.

DAYLIGHT

RECOVERY CENTER

The drug epidemic is the health crisis of our generation. Families and communities across the nation are being destroyed by drugs and alcohol.

We believe in a recovery process that addresses the needs of the entire patient – mind, body and soul. For this reason, every one of our patients receives a customized treatment plan tailored to their specific needs.

We are a comprehensive, licensed and accredited drug and alcohol treatment center. Having gained national recognition in this industry, we take pride in having a talented and experienced team that works together in a strong, positive and family-like atmosphere.

It is our goal to help as many people as possible suffering from Substance Use Disorders (SUDs) and to strive for them to achieve long-lasting recovery.

The Highest Standard of Patient Care Didn't Exist... *So We Created It!*

PROGRAMS WE OFFER

MEDICAL DETOX

Medical detox addresses withdrawal symptoms and enables patients to build the confidence necessary to carry them through the remainder of treatment.

RESIDENTIAL TREATMENT

Daylight Recovery Center treats the entire mind, body and soul using cognitive behavioral therapy in conjunction with evidence-based treatments.

SPIRITUAL PROGRAM

Our spiritual program is based on Christian principles. Believers of other faiths or denominations are encouraged to join and are always welcome.

PATIENT STABILIZATION

Patient stabilization guides individuals back on track after a potential relapse. Our team is here to help patients move toward a life free from the restrictions of drugs and alcohol.

CASE MANAGEMENT

We provide services to our patients beyond addiction treatment including coordination of continued care. This allows each patient to focus solely on their recovery.

ALUMNI SUPPORT

Our alumni team sets a positive example for patients by living clean and sober lifestyles. They provide support to patients during low times, in addition to celebrating achievements.
